Kia Ora Kia Orana Talofa Lava Greetings

Dear Parents / Guardians,

This Friday is the last day of a busy Term 3. We hope that all staff and students have a good, well deserved break and return to school refreshed and ready for the last term of 2008, beginning on Monday, 13th October.

This will also be the change over into summer uniform. All students are expected to be in summer uniform by Tuesday 28th October. Our uniform policy states that students must wear plain black or brown sandals (without socks) or plain black or brown lace up shoes (not track shoes) and plain white socks for girls (above ankle, below the knee and grey sock with two red bands for boys. The shoes are an important aspect of the uniform and we would ask that all families adhere to this. Year 8 pupils will generally find that the footwear required at Intermediate is the same as that required at most High Schools.

SCHOOL OPERETTA

Tonight is the last opportunity to see the school operetta.

My congratulations to all the students and staff involved in this production. The standards that have been reached are extremely high. My thanks to all those who have worked so hard to ensure this major school event was successful. In particular I would like to acknowledge the tremendous hours of work put in by Mrs Long, Mr Creigh-Smith, Mr Wild, Ms Lee, Mrs Taylor, Mrs Henry, Mr Knapman, Mrs Kingsley, Mr O'Rourke and Mr Murray.

SCHOOL FEES

A reminder that any unpaid school donations (\$50.00 per pupil, \$45.00 per pupil if two children attend, \$40.00 per pupil if three children attend) will be gratefully received and a reminder that outstanding paper fees (\$5.00 per child) need to be paid to ensure your child is eligible for a social invite.

The majority of the school donation is used for Technology resources. This means that instead of students having to bring eggs, cheese, bacon etc before they can cook, the school provides all ingredients.

Similarly in Materials: instead of students having to bring money to pay for their wood/ materials before they start a project, all materials are provided by the school.
